

What is MUET?

If you are planning to pursue your studies at local public universities in Malaysia, you may have heard the requirement to take an English proficiency test called MUET. And if you are currently a Diploma, *Matrikulasi*, *Asasi* or STPM student, you would have definitely heard of this acronym being thrown around.

MUET Malaysia is an **English proficiency test** administered by the Malaysian Examination Council (MEC). Otherwise known as the *Malaysian University English Test*, it is usually taken by students who **aim to further their degree studies in Malaysian public universities**.

The MUET examination is held 3 times every year – March, July and October.

Remember to check what the English requirements are at your desired university, as different universities may have different conditions.
